

CARES Act Emergency Solutions Grant Program 2020 Allocation Plan

General Information:

The Missouri Housing Development Commission (MHDC) is responsible for administering the CARES Act Missouri State Allocation of the Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) Program funds granted to MHDC by the Missouri Department of Social Services (DSS).

These funds are provided through a federal grant from the Department of Housing and Urban Development (HUD) under the Emergency Solutions Grant (ESG) program, as amended by the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) and the CARES Act.

CARES Act Funds Available:

The Missouri Housing Development Commission, in conjunction with the Missouri Department of Social Services, will make an amount of approximately \$28,331,553 available to Missouri applicants to be distributed geographically. This amount includes the \$9,584,276 which was previously outlined in the Board approved allocation plan on April 6, 2020. MHDC intends that the funding approved on April 6, 2020 (together with any additional ESG funding that may be available from HUD) may be made available to be administered under this allocation plan at MHDC's reasonable discretion. MHDC will directly administer an initial approximate amount of \$15,000,000 for emergency rental arrears assistance.

The purpose of the Emergency Solutions Grant Program is to support programs within Missouri communities that prevent homelessness and rapidly return households experiencing homelessness to stable housing.
