## FY2020 State of Missouri Action Plan: Public Meeting for Preliminary Planning Process

The Missouri Department of Economic Development, in conjunction with the Missouri Housing Development Commission, the Department of Social Services, and the Department of Health and Senior Services, will conduct a public meeting **on November 6; from 11:00 a.m-1:00p.m.** regarding the FY2020 Action Plan for the State administered U.S. Department of Housing and Urban Development (HUD) programs.

HUD requires the State of Missouri to publish an Action Plan every year. The Action Plan covers the following HUD programs administered by the State: Community Development Block Grant, HOME Program, Emergency Solutions Grant Program, Housing Trust Fund, and Housing Opportunities for Persons with AIDS, and the Continuum of Care.

Staff from these programs must collect information about the housing, community, and economic development needs for the State and assemble a plan for meeting those needs over the next year. Part of that information must come from public input. This meeting is an opportunity for interested persons to contribute to the preliminary planning process. During the meeting, staff will present an outline of what is required for the plan, offer preliminary ideas for assembling the data, and ask participants for input and suggestions.

Once the draft FY2020 Action Plan is published and distributed in January 2020, additional public meetings will be conducted for further input. If you have any questions about this process, please contact Sam Komo at 573-751-3600 or [sam.komo@ded.mo.gov](mailto:sam.komo@ded.mo.gov).
