

Home Repair Opportunity (HeRO) Program Contractor Application Checklist

HeRO 435-B
Updated 9/1/2022

All of the applicable documentation listed below must be submitted to the Sub-Grantee as part of the qualification and approval process. This includes all contractors, including subcontractors and independent contractors of any tier, in advance and prior to commencing work on a HeRO project.

HeRO 435 Contractor Application (completed and signed and dated by Contractor)

Copy of contractor organization's authority to do business in Missouri (such as a certificate of good standing issued by the Missouri Secretary of State)

Copy of contractor license or equivalent locally issued license OR in areas where no local license is required or available, a \$20,000 performance bond must be included

Proof of liability insurance in a minimum amount of \$150,000

Proof of worker's compensation insurance

Proof of automobile insurance

Proof that contractor is an EPA Lead-Safe Certified Renovation firm

Proof of Lead Abatement Certification when applicable

Attach and list any additional applicable information and documentation.

This Certifies that the information submitted and attached hereto is the most recent, unexpired documents.

Signature of Preparer
