Log On Page

All MHDC HUD and State Department programs will be managed through the online Grant Interface. The online Grant Interface will allow organizations to complete MHDC applications, submit documents, and make payment requests. In addition to applying, the online Grant Interface will be accessed and used for the duration of the grant period for all organizations selected for funding.

Letter of Intent

A Letter of Intent allows MHDC to view intended requests for a program prior to an application period. If a Letter of Intent is in place, it must be completed prior to the application. The Letter of Intent will have to be approved by MHDC staff before the application will become available.

Some applications will not require a Letter of Intent.

0	t Management Software		07	.0′)' .(.0'

After clicking the "Apply" button you may begin the application.

- An application does not have to be completed immediately, it may be started and saved to resume later by clicking the "Save Application" button.*
- You may also delete an application by clicking "Abandon Request." This feature is **permanent**. If "Abandon Request" is selected the application will be deleted and will need to be started over in order to resume.
- Most questions are set to require an answer and the application will not allow submission if it is not complete. If an answer does not apply, simply put N/A.
- Narrative questions are limited to a certain set of characters
- Once the application is complete and ready to be submitted, click "Submit Application." Once an application is submitted it cannot be edited.

***Note:** Applications are time sensitive and must be submitted before the deadline. The deadline for submission is viewable on the "Apply Screen" before clicking "Apply" and at the top of the application.

While working on the application, an applicant may choose to have other persons provide input or add information into the application.

- This can be done by clicking the "Collaborate" button at the top of the page.
 - This will allow an applicant to invite other users to log in and work on the same application

From the "Apply Screen" an applicant may click on the "home button" to view the "Applicant Dashboard."

The "Applicant Dashboard" allows an organization to view all current requests under "Active Requests," as well as any completed grant years under "Historical Requests." From the "Applicant Dashboard" all organizations that are chosen for funding will be able to access all HUD and State programs. It is from this page that payment requests may be submitted*.
