Once a grantee logs into the Grant Interface they will be taken to the Applicant Dashboard. From the Applicant Dashboard all active requests, historical requests, organization information, and organization history is viewable. Each “active request” will include a set of assigned “Follow Up Forms.”

Follow Up Forms are assigned by MHDC staff to the grantee to allow for the submission of documents, including requests for payment, back-up, or expense information.

Follow Up Forms are to be completed sequentially. Each form has a specific time period in which it is available, as well as a due date. The due date is the latest date in which a form may be submitted. Once a due date has passed, grantee will need to submit all documentation on the next available form.
