INTRODUCTION

Purpose

The Housing Emergency Solutions Program (HESP) is intended to: (1) engage homeless individuals and families living on the street; (2) improve the number and quality of emergency shelters for homeless individuals and families; (3) help operate these shelters; (4) provide essential services to shelter residents, (5) rapidly re-house homeless individuals and families, and (6) prevent families and individuals from becoming homeless. HESP funds are intended to be used as part of a crisis response system using a low barrier, housing-focused approach to ensure that homelessness is rare, brief, and non-recurring.

Establishment of Funds

These funds are established by Subtitle B of Title IV of the Stewart B. McKinney-Vento Homeless Assistance Act (Public Law 100-77, Public Law 100-628) as amended by the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act)¹ which authorized the Emergency Solutions Grant (also referred to as HESP) for the purpose of providing assistance to persons who are homeless or at-risk of homelessness. The Missouri Housing Development Commission (MHDC) is responsible for administering the Missouri State Allocation of the Department of Housing and Urban Development (HUD) Housing Emergency Solutions Program (HESP) funds.

Regulations and Authority

The Missouri HESP Program is administered under the provisions of the HUD regulations within Title 24 Code of Federal Regulations (CFR) [Part 576](#), as well as the agency's executed grant agreement, and the 2026 HESP Desk Guide. Grantees are encouraged to review all HUD HESP program requirements. MHDC has flexibility in certain areas of administering the HESP Program and may establish more detailed requirements, than those required by HUD. Where there are differences, grantees should comply with MHDC's requirements reflected in the grant agreement and 2026 Desk Guide.

Contacts

Direct all questions, concerns, updates and submission of documents to the HESP Administrator, with the exception of Payment Requests. Payment Requests shall be submitted electronically by completing and uploading the documents to your grant in the [Grant Interface](https://www.grantinterface.com/Home/Logon?urlkey=mhdc). (<https://www.grantinterface.com/Home/Logon?urlkey=mhdc>)

Quarter 4 (Q4)	August 1st, 2026 – October 31st, 2026
End of Grant Year	October 31 st , 2026
Final Payment Request Submission Deadline	October 31 st , 2026
Grant Close-Out Deadline	December 1st, 2026

² All grantees are responsible for submitting their own Annual CAPER into the SAGE portal for the time period of April 1, 2025 – March 31, 2026.

ELIGIBLE PROGRAM COMPONENTS

Administration (Admin)

Intended to support HESP grantees' costs incurred to meet the grant requirements. Staff and overhead costs directly related to carrying out Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Rehousing, and HMIS activities are **not** eligible to be reimbursed under Administration.

Homeless Management Information System (HMIS)

Intended to support HESP grantees' participation in the HMIS collection and data analysis of households that are homeless or at risk of homelessness.

Street Outreach (SO)

Intended to support HESP grantees in meeting the immediate needs of unsheltered homeless individuals and families by connecting them with emergency shelter, housing, and/or critical health services.

Emergency Shelter (ES)

Intended to support the costs of operating an emergency shelter and providing essential services to those residing in shelter.

Homelessness Prevention (HP)

Intended to prevent at-risk households from becoming homeless through rental assistance and housing relocation stabilization services.

Rapid Re-housing (RRH)

Intended to quickly move homeless individuals and families to permanent housing through rental assistance and housing relocation and stabilization services.

PROGRAM PARTICIPANT ELIGIBILITY

Determining Participation

Grantees must conduct an initial evaluation of eligibility (in accordance with the local CoC's coordinated entry process) to determine:

- Each individual or family's eligibility for HESP activities
- If the applicant has no appropriate subsequent housing options
- If the applicant lacks sufficient resources and support networks to obtain/retain housing
- If the applicant has not received more than 24 months of HESP assistance within the past three years, verified via form HESP-204 (Homelessness Prevention, Rapid Re-housing only)
- The minimum amount and types of assistance necessary (Homelessness Prevention, Rapid Re- housing only)

Evaluations must be conducted in accordance with the local coordinated entry process and the agency's program guidelines ([24 CFR 576.400](#)).

Re-Evaluating Participation

In addition to conducting an initial evaluation and connecting program participants to other resources, eligibility for HESP Homelessness Prevention and Rapid Re-housing must be re-evaluated:

- At least once every three months for Homelessness Prevention assistance
- At least once annually for Rapid-Rehousing assistance

At a minimum, the re-evaluation must establish that:

- Annual household income is not greater than 30 percent of the AMI
- The program participant lacks sufficient resources and support networks necessary to retain housing without HESP assistance

HESP DEFINITIONS

Table 1. Homeless Definitions

Individuals and families seeking assistance must be evaluated to determine their homeless status eligibility for HESP.

In accordance with [24 CFR 576.2](#), MHDC allows for the following definitions of homelessness to be used by HESP grantees when determining program participant eligibility.

Literally Homeless (Category 1)	<ul style="list-style-type: none"> Individual or family who lacks a fixed, regular, and adequate night-time residence, meaning: <ul style="list-style-type: none"> Individual or family with a primary night-time residence that is a public or private place not meant for human habitation; Individual or family is living in a publicly or privately operated shelter designated to provide temporary living arrangements (including congregate shelters, transitional housing, hotels/motels paid for by charitable organizations or federal, state, and local government programs; or Individual is exiting an institution where (s)he has resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.
Imminent Risk of Homelessness (Category 2)	<ul style="list-style-type: none"> Individual or family who will imminently lose their primary residence, provided that: <ul style="list-style-type: none"> Residence will be lost within 14 days of the date of application for homeless assistance. No subsequent residence has been identified; and Individual or family lacks resources or support networks needed to obtain other permanent housing.
Homeless Under Other Federal Statutes (Category 3)	<ul style="list-style-type: none"> Unaccompanied youth under age 25, or families with children and youth, who do not otherwise qualify as homeless under this definition, but who: <ul style="list-style-type: none"> Are defined as homeless under other listed federal statutes. Have not had a lease, ownership, or occupancy agreement in permanent housing during the 60 days prior to the date of homeless assistance application. Have moved two or more times in the preceding 60 days; and Can be expected to continue in such status for an extended period of time due to special needs or barriers.
Fleeing/Attempting to Flee Domestic Violence (Category 4)	<ul style="list-style-type: none"> Individual or family who: <ul style="list-style-type: none"> Is fleeing/attempting to flee domestic violence. Has no other residence; and Lacks resources or support networks needed to obtain other permanent housing.

Table 2. At Risk of Homelessness Definition

In accordance with [24 CFR 576.2](#), MHDC allows for the following definition of at risk of homelessness to be used by HESP grantees when determining program participant eligibility.

At Risk (Category 1)	<p>Individual or family who:</p> <ul style="list-style-type: none"> • Has an annual income below 30% of median family income for the area; • Does not have sufficient resources or support networks immediately available to prevent them from moving to an emergency shelter or another place defined in Category 1 of the “homeless” definition; and • Meets one of the following conditions: <ul style="list-style-type: none"> ○ Has moved because of economic reasons 2 or more times during the 60 days immediately preceding the application for assistance; or ○ Is living in the home of another because of economic hardship; or ○ Has been notified that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance; or ○ Lives in a hotel or motel and the cost is not paid for by charitable organizations or by federal, state, or local government programs for low-income individuals; or ○ Lives in a single room occupancy or efficiency apartment unit in which there reside more than 2 persons or lives in a larger housing unit in which there reside more than one and a half persons per room; or ○ Is exiting a publicly funded institution or system of care; or ○ Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient’s approved Con Plan

Table 3. Eligible Clients Served by Funding Component

The following chart outlines homeless category eligibility for each HESP component.

Homeless Definition Eligibility	Category 1 Literally Homeless	Category 2 Imminent Risk of Homelessness	Category 4 Fleeing/Attempting to Flee Domestic Violence	Category 1 At Risk of Homelessness
Street Outreach	X			
Emergency Shelter	X	X	X	
Homelessness Prevention		X	X	X
Rapid Rehousing	X			

Comparable Database

A relational database that meets all HMIS Data Standards and the minimum standards of HMIS privacy and security requirements, including HUD’s most recent reporting standards and comma separated value (CSV) format specifications. The most recent standards can be found [here](#).

Duplication of Benefits

Federal assistance cannot duplicate the benefits provided by other sources (I.E. State Programs, FEMA, Insurance etc.) It is the responsibility of the grantee to verify that a duplication of benefits does not occur.

FINANCIAL PROCESSES

Funding Period

All HESP funding provided to grantees must be used for expenses that are incurred and paid for on or after November 1st, 2025 and before October 31st, 2026.

Requests for Payment

HESP funds are provided on a **reimbursement basis only**. Therefore, HESP funds must be expended on eligible activities for eligible program participants before funds can be requested. Before grantees can request reimbursement for program year 2026, the following criteria must be met:

- All previous HESP grants must be completely closed out:
 - All previous HESP grant funds expended; and
 - Close out documentation received and approved.
- All current year's grant agreement documents must be completed and received by MHDC.
- All previous compliance issues must be resolved, (i.e., grantee is "in compliance").

Once all of the above criteria is met and grantee has expended funds on eligible HESP activities, grantee may request program funds using the Payment Request process in the [Grant Interface](#). Only expenses incurred and paid for on or prior to the date of the payment request can be reimbursed. No pre-payment or pre-billing is allowed.

Submission Requirements

Funded agencies must submit complete Payment Request packets electronically by submitting form HESP-212 and all applicable reports into [Grant Interface](#).

All Payment Request packets must include:

- HESP-212: Expense Detail Form for each funding component with requested funds.
- HMIS/Comparable Database Report for each funding component with requested funds. Note that the type of report is dependent upon the funding component. For a complete list of required reports, see the Homeless Management Information System section.

MHDC allows for a **minimum of two** payment requests to be approved per month. The deadline to submit a request is 11:59 p.m. on the 15th and the last day of each month. Submitting a payment request by the deadline guarantees it will be reviewed in that request cycle but **does not** guarantee that request will count towards Spending Deadlines. Only approved payment requests count towards a grantee's HESP spending requirements. Payment request for reimbursements under \$10.00 will be processed at the sole discretion of MHDC.

MHDC staff reviews all payment requests submitted for compliance with HESP regulations and accuracy. The Primary Assignee from the grantee's HESP-26 Agency Contact Page will be notified via email if the payment request is approved or discarded.

Common Reasons for Discard

- Certificate of insurance has expired
- Expenses paid outside of designated CoC
- Ineligible activities reported
- Missing HMIS reports or Expense Detail forms
- Expenses incurred or paid outside of the funding period
- Missing signatures from authorized signatories
- Expenses paid outside of designated CoC
- Missing/Incorrect files uploaded
- Incorrect/missing information fields
- Uploaded PDFs are illegible

Please submit payment requests electronically to: <https://www.grantinterface.com/Home/Logon?urlkey=mhdc>

Approved Payment Requests

Grantees must submit an approvable Payment Request to MHDC no later than 11:59 p.m. on the last day of the month to receive reimbursement in the following month. MHDC processes all approved payment requests monthly and those are typically paid out in 3-4 weeks.

Spending Deadlines

Grantees are required to spend at least fifty percent (50%) of the total grant award amount on or before the end of the second quarter of the grant year (April 30th, 2026). Grantees are required to spend one hundred percent (100%) of the total grant award on or before October 31st, 2026. MHDC has the discretion to recapture a portion or all remaining HESP funds as of these deadlines. Payment request submissions that result in discard do not fulfill the spending deadline requirements.

Budget Amendments

HESP grantees may spend HESP funds on any eligible activity within a funding component (e.g., Rapid Rehousing dollars may be spent on any eligible Rapid Rehousing activity as outlined in [24 CFR 576 Subpart B](#)). In certain instances, HESP grantees may request amendments to the original budget provided in the Grant Agreement in order to move funds to other already funded components with MHDC approval. Grantees must submit an amendment request in writing via email to the MHDC HUD Programs Administrator outlining the proposed amendment. Upon approval to move forward, a HESP-213 Amendment Request Form will be provided for completion. The form will detail the original budget, the proposed change, the new budget, and must explain why the amendment is needed. Once the form is completed and signed, it should be scanned and submitted electronically to the MHDC HUD Programs Administrator for final approval. If approved, a grant amendment agreement will be sent to the grantee for review and signature. The original copy must be received and executed by MHDC before the budget change is finalized. Amendments do not change the grant amount, only the component in which funding can be spent. Amendments can only be requested and approved once per quarter, and approval is granted at the sole discretion of MHDC.

Fixed Assets

MHDC does not allow reimbursement for the purchase of any fixed assets that cost in excess of \$10,000.00 in total, including: equipment, computer equipment, and other real and personal property. No fixed asset expenditure or portion of a fixed asset expenditure billed for HESP reimbursement can be greater than or equal to \$10,000.00 in total.

Ineligible Expenses for all HESP Components

- All advocacy efforts or initiatives
- Advertising
- Sales Tax
- Advanced Payments; including rent

REPORTING

Homeless Management Information System

The Homeless Management Information System (HMIS) is a database that records and stores client-level data regarding the delivery of housing and services to households who are homeless and/or at-risk of homelessness. HESP grantees are required to enter data on all persons served into the HMIS recognized by their Continuum of Care (CoC). Grantees serving victims of domestic violence are required to enter data into a “comparable database” in accordance with HUD’s standards on participation, data collection, and reporting. Legal services organizations may choose to enter into a comparable database rather than an HMIS. The data must be entered into the HMIS that represents the county of service. If the grantee serves persons with HESP funds in multiple Continua, HMIS data must be entered into each appropriate HMIS of those Continua. Grantees are responsible for ensuring that all data collection within HMIS and any comparable databases are in compliance with HUD HMIS Minimum Data Standards, therefore grantees should work with HMIS Lead Agencies and comparable database providers to ensure they are trained on proper data entry and are consulting with their provider regularly regarding any issues or questions.

HMIS Lead Agencies

- Greater Kansas City/Jackson County MO CoC: [Greater Kansas City Coalition to End Homelessness](#)
- St. Charles/Lincoln/Warren Counties CoC: [Community Council of St. Charles County](#)
- All other Continua of Care: [Institute for Community Alliances](#)

Area-Wide Systems Coordination

HESP grantees should attend at least seventy-five percent (75%) of the Continuum of Care (CoC) all member meetings in the CoC in which HESP funds are spent. MHDC acquires feedback from each CoC chair regarding the agency’s level of participation which may be assessed on future HESP applications for funding.

For more details regarding the Continuum of Care and Coordinated Entry System requirements, please refer to the following Code of Federal Regulations:

- Coordination with other targeted homeless services: [24 CFR 576.400\(b\)](#)
- System and program coordination with mainstream resources: [24 CFR 576.400\(c\)](#)
- Centralized or coordinated assessment: [24 CFR 576.400\(d\)](#)

Consolidated Annual Performance Evaluation Report (CAPER)

All grantees are required to generate this annual report directly from their HMIS/comparable database system in April 2026. This report must be for the period of **April 1st, 2025, through March 31st, 2026**, as this is the federally mandated date range. This range does overlap the ESG-25 and HESP-26 grant years, so any agency funded in both years will upload data from both program years.

The grantee will upload the CAPER data directly into the online Sage portal via an email link sent to the Annual CAPER Contact listed on the grantee’s HESP-26 Agency Contact page in the Grant Interface. This link will come directly from the Sage system, as required by HUD.³

Grantees should work with their HMIS/ comparable database provider and HMIS Lead Agency to generate data through a CAPER CSV export from their system for all the HESP service-related components they are funded in ([Street Outreach](#), [Emergency Shelter](#), [Rapid Rehousing](#), and [Homelessness Prevention](#)).

³ Agencies may need to monitor junk folders to ensure link is received.

Quarterly CAPER Data Submission

Grantees serving victims of domestic violence using a “comparable database” must submit their own Quarterly CAPER Data to MHDC via the [Grant Interface](#). Grantees must test the CSV file generated by their HMIS/Comparable Database on HUD’s SAGE HMIS Reporting Repository web tool to ensure it is error free; that tool can be found [here](#). These reports must only include data for the quarter it is submitted for as described in the [Timeline](#) section of this guide.

Emergency Shelter Bed-Night Utilization Data

All grantees funded in the Emergency Shelter component are required to report in April 2026 the total number of Bed-nights available and the total of Bed-nights provided beds via their Emergency Shelter program for the period of **April 1st, 2025, through March 31st, 2026**. Total Bed-nights available is defined by HUD as the total number beds in a grantee’s shelter that were available to program participants.

Compliance Monitoring

In order to track a grantee’s program compliance, ensure accurate spending of HESP funds, prevent fraud and abuse, and to identify technical assistance needs, MHDC staff will monitor grantees by either conducting a site visit or desk review. Reference the [HESP Compliance Guidance](#) document located on the [MHDC website](#) for precise instructions regarding processes and requirements.

Environmental Review

HESP grantees are required to comply with the National Environmental Policy Act (NEPA) to limit the potential environmental impacts of a project. The only projects that require environmental review for this purpose are construction or rehabbing of standard emergency shelters, which are not eligible under the MHDC HESP program. Therefore, all HESP activities will be either categorically excluded or exempt from an environmental review.

Matching Funds

Per [24 CFR 576.201](#), grantees must match their total HESP grant award consisting of documented non-McKinney resources. Matching funds must be used in accordance with all requirements that apply to HESP funds (e.g., documentation, participant eligibility, eligible costs). Match may include cash and/or non-cash contributions, including the value of any lease on a building, the actual value of professional services, any salary paid to staff to carry out the program, and the value of the time and services contributed by volunteers to carry out the program. Any cash or non-cash contribution matched to HESP grant cannot have been used and will not be used to match any other federal program’s funds nor any other grant. Failure to provide properly documented uses and sources of match at the end of the grant term will require repayment of all unmatched reimbursements.

Grant Close Out

Once all funds have been expended, the grantee is required to close out their HESP grant. The close out process consists of several components:

1. Spending 100% of HESP award
2. Completing the required [Close Out Documentation](#)
3. Submitting the HESP-26 Grant Close Out submission in the Grant Interface

All complete and final close out information needs to be submitted electronically in the [Grant Interface](#) on or before 11:59 p.m. on December 1st, 2026.

ADMINISTRATION COMPONENT

The Administration component is intended to support HESP grantees' costs incurred to meet the grant requirements ([24 CFR 576.108](#)). HESP grantees may receive up to five percent (5%) of their total grant award for administrative costs if funded under the Administration component. Staff and overhead costs directly related to carrying out Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Rehousing, and HMIS activities are **not** eligible to be reimbursed under Administration.

ELIGIBLE PROGRAM ACTIVITIES

Indirect Cost Rate

If billing indirect costs to HESP grant, grantees must provide MHDC with the selected Indirect Cost Rate option to be utilized during the grant term with the grant agreement. The selected method for allocating indirect costs must comply with [2 CFR 200](#). Documentation of the cost allocation plan should include the following:

- How the grantee will determine costs as direct and indirect;
- How the grantee will allocate shared costs among different programs; and
- How the grantee will charge eligible and allowable direct and indirect costs.

Staffing

Salaries, wages, and related costs of staff engaged in any program administration assignments such as:

- Preparing program budgets and schedules, and amendments to those budgets and schedules
- Developing systems for assuring compliance with program requirements
- Developing interagency agreements and agreements with contractors to carry out program activities
- Monitoring program activities for progress and compliance with program requirements
- Preparing reports and other documents directly related to the program for submission to HUD
- Coordinating the resolution of audit and monitoring findings
- Evaluating program results against stated objectives
- Managing or supervising staff members whose primary responsibilities include the activities described above

In charging costs to this category, the recipient may use one of the following methods:

1. Include the entire salary wages, and related costs allocable to the HESP program of each person whose primary responsibilities involve program administration assignments;
2. Include the pro rata share of the salary, wages, and related costs of each person whose job includes HESP administration activities.

The recipient **may use only one of these methods for each fiscal year grant.**

Third-Party Administration and Accounting

Administrative services performed under third party contracts or agreements are also eligible, including:

- Monitoring services
- Audit services
- General legal services
- Accounting services

Rent

Grantees can request reimbursement for the portion of the office space used in the process of administering the program. The portion of rent that is allowable is proportionate to the percentage of the facility's total square footage that is being used towards eligible Administration activities. The calculation of the portion of the rent being billed under Administration should be documented in a written memo.

Utilities

Grantees can request reimbursement for the portion of the utilities necessary to the process of administering the program. The portion of the utilities that is allowable is proportionate to the percentage of the facility's total square footage that is being used in eligible Administration activities. The calculation of the portion of the utilities being billed under Administration should be documented in a written memo. Eligible utilities include:

- Electricity
- Water
- Internet
- Gas
- Phone

Insurance

The insurance for the facility being used to administer the program is eligible. The portion of insurance that is allowable is proportionate to the percentage of the facility's total square footage that is being used eligible Administration activities. The calculation of the portion of the insurance being billed under Administration should be documented in a written memo.

Equipment and Supplies

Equipment and supplies necessary to the administration of the program are eligible. This can only be for equipment and supplies that are used exclusively for administration:

- Office supplies
- Maintenance of office space
- Purchasing or leasing equipment, including telephones, faxes, and furniture

Training and Travel

Training and travel necessary for the administration of the HESP program is eligible, including:

- Costs of providing training on HESP requirements
- Costs of attending HUD-sponsored HESP or ESG trainings⁴

⁴ Grantees must verify with MHDC that the ESG training is HUD-sponsored prior to requesting reimbursement for any costs associated with attending them.

HMIS COMPONENT

Homeless Management Information System (HMIS) or comparable database participation is a requirement of receiving HESP funds. Therefore costs associated with contributing data to the HMIS or comparable database are eligible for reimbursement ([24 CFR 576.107](#)) for agencies funded under the HMIS component. Activities must comply with HUD's standards on participation, data collection and reporting, including compliance with the most recent version of HUD's HMIS Data Dictionary and [HMIS Data Standard Manual](#).

ELIGIBLE HMIS ACTIVITIES

Hardware and Software

Costs for hardware and software used specifically for HMIS/comparable database entry and maintenance, including:

- Purchasing or leasing computer hardware
- Purchasing software or software licenses

Staffing

Salaries, wages, and related costs of staff engaged in any HMIS/comparable database assignments such as:

- Data collection and reporting
- Completing data entry
- Monitoring and reviewing data quality
- Completing data analysis
- Training staff on using the HMIS or comparable database
- Implementing and complying with HMIS requirements
- Cost of obtaining third party technical support

Training

The direct cost to participate (i.e., registration fees) and attend any HUD-Sponsored and/or HUD approved training on using the HMIS or comparable database is eligible.⁵

Transportation

The direct transportation costs required for grantee staff to travel to conduct intake and to attend HUD-Sponsored and HUD approved training on HMIS are eligible. Direct transportation costs include the following:

- Cost of staff travel on public transit
- Mileage allowance for staff travel to training and to conduct intake

All transportation costs must be supported via detailed travel logs which include the specific destinations, times travel occurred, staff involved, miles traveled, and purpose of travel. This must be furnished during compliance. All travel must be billed based on mileage rate and the number of miles driven, the only alternative is direct payments for public transportation (i.e., cabs, buses, etc.)

- Costs associated with purchasing or leasing a vehicle **ARE NOT** eligible
- Costs for gas or vehicle fuel **ARE NOT** eligible
- Cost associated with food, baggage, or any non-direct transportation costs **ARE NOT** eligible

Rent

Grantees can request reimbursement for the portion of the office space used in the process of contributing data to the HMIS expenses. The portion of rent that is allowable is proportionate to the percentage of the facility's total square footage that is being used in HMIS eligible activities. The calculation of the portion of rent being billed under HMIS should be documented in a written memo.

⁵ Grantees must verify with MHDC that the ESG training is HUD-sponsored prior to requesting reimbursement for any costs associated with attending them.

Utilities

Grantees can request reimbursement for the portion of the utilities necessary to operate or contribute data to the HMIS. The portion of the utilities that is allowable is proportionate to the percentage of the facility's total square footage that is being used in HMIS eligible activities. The calculation of the portion of the utilities being billed under HMIS should be documented in a written memo. Eligible utilities include:

- Electricity
- Water
- Internet
- Gas
- Phone

Equipment and Supplies

Equipment and supplies used in the process of contributing data to the HMIS are eligible. This can only be for equipment and supplies that are used exclusively for HMIS.

- Purchasing or leasing equipment, including telephones, faxes, and furniture
- Office supplies
- Maintenance of office space

Participation Fees

Fees charged by the HMIS Lead or the HMIS/comparable database provider used by the grantee to operate and contribute data to the HMIS/comparable database are eligible.

ELIGIBLE ACTIVITIES – HMIS LEADS

There are certain activities that are only eligible for reimbursement when requested by a funded HMIS Lead Agency, including:

Hosting and Maintaining HMIS Systems

Costs for hardware and software used specifically by an HMIS Lead Agency in the further administration and maintenance of the HMIS, including:

- Purchasing or leasing computer hardware
- Purchasing software or software licenses
- Integrating and warehousing data, including development of a data warehouse for use in aggregating data from other grantees using multiple software systems
- Upgrading, customizing, and enhancing the HMIS
- Backing up, recovering, or repairing HMIS software or data

Staffing

Salaries, wages, and related costs of the HMIS Lead Agency's staff or other staff engaged in any HMIS administrative assignments such as:

- Reporting to providers, the Continuum of Care, and HUD
- Providing technical assistance to grantees
- Conducting training on how to use the HMIS
- Assessing comparable databases for compliance with HUD's data standards
- Monitoring and reviewing data quality
- Completing data analysis
- Cost of obtaining third party technical support

Training

The direct cost to participate (i.e., registration fees) and attend any HUD-Sponsored and/or HUD approved training on administering the HMIS is eligible.⁶

Transportation

The direct transportation costs required for HMIS Lead Agency staff to travel in order to: conduct training on using the system, assess comparable databases for compliance, and HUD-Sponsored and/or HUD approved training on administering the HMIS.

Direct transportation costs include the following:

- Cost of staff travel on public transit to conduct trainings, assess comparable databases, and attend trainings
- Mileage allowance for staff travel to conduct trainings, assess comparable databases, and attend trainings

All transportation costs must be supported via detailed travel logs which include the specific destinations, times travel occurred, staff involved, miles traveled, and purpose of travel. This must be furnished during compliance. All travel must be billed based on mileage rate and the number of miles driven, the only alternative is direct payments for public transportation (i.e., cabs, buses, etc.)

- Costs associated with purchasing or leasing a vehicle **ARE NOT** eligible
- Costs for gas or vehicle fuel **ARE NOT** eligible
- Cost associated with food, baggage, or any non-direct transportation costs **ARE NOT** eligible

Rent

HMIS Lead Agencies can request reimbursement for the rent of the office space used in the process of administering and maintaining the HMIS. The portion of rent that is allowable is proportionate to the percentage of the facility's total square footage that is being used in HMIS Lead Agency eligible activities. The calculation of the portion of the rent being billed under HMIS should be documented in a written memo.

Utilities

HMIS Lead Agencies can request reimbursement for the utilities necessary to administer and maintain the HMIS. The portion of the utilities that is allowable is proportionate to the percentage of the facility's total square footage that is being used in HMIS Lead Agency eligible activities. The calculation of the portion of the utilities being billed under HMIS should be documented in a written memo. Eligible utilities include:

- Electricity
- Water
- Internet
- Gas
- Phone

Equipment and Supplies

Equipment and supplies used in the process of administering and maintaining the HMIS are eligible. This can only be for equipment and supplies that are used exclusively for HMIS.

- Office supplies
- Maintenance of office space
- Purchasing or leasing equipment, including telephones, faxes, and furniture

⁶ Grantees must verify with MHDC that the ESG training is HUD-sponsored prior to requesting reimbursement for any costs associated with attending them.

STREET OUTREACH COMPONENT

HESP funds may be used for the costs of providing essential services to unsheltered homeless people ([24 CFR 576.101](#)); connecting them with emergency shelter, housing, or critical services; and providing urgent non-facility-based care to unsheltered homeless people who are unwilling or unable to access emergency shelter, housing, or an appropriate health facility.

Client Eligibility Requirements

Street Outreach services are provided only to persons who specifically meet the definition of unsheltered homeless people under Category 1 of HUD's homeless definition, as defined in Table 1. Homeless Definitions found [here](#).

No Income Requirement

Income requirements do not apply to program participants who are being served under the Street Outreach component.

Eligible Program Activities

The following are the only eligible activities that can be billed under the Street Outreach component. There are **no** operations expenses eligible under Street Outreach, all expenses must be related to essential client services.

Eligible Activities – Operations

Eligible operating expenses that can be reimbursed under Emergency Shelter include:

Minor or Routine Maintenance

In general, maintenance activities include cleaning; minor or routine repairs of furnishings, equipment, and fixtures; and protective or preventative measures to keep a building, its systems, and its grounds in working order. Maintenance activities:

- Do not materially add to the value of the building/property;
- Do not appreciably prolong the useful life of the building/property; and
- Do not adapt the building/property to new uses.

Examples of maintenance activities could include activities such as: pest control, lawn services, replacing a few shingles on a leaky roof; patching leaking pipes or plumbing; replacing a broken window; fixing a crack in a sidewalk; filling potholes in a parking lot; and repairing portions of a fence.

If the grantee is replacing appliances or portions of the structure, they must have both written and photographic documentation on how it was unsafe, unusable, and/or more expensive to repair and continue using than to replace.

- Staffing or contracting of qualified persons for repairs are eligible
- Installation, appliances, and supplies for replacements are eligible
- Installation, appliances, and supplies for non-replacement purposes⁸ **ARE NOT** considered minor or routine maintenance
- Renovation, major rehab, and conversion **ARE NOT** eligible. Examples of renovation could include: replacing fixtures, such as the HVAC system or plumbing, replacing a roof, etc.⁹
- Vehicle maintenance or repair are not eligible.

Rent

The rent for the facility being used as an emergency shelter is eligible. If only a portion of the facility is being used as an emergency shelter, then only the rent for that portion of the facility is eligible for reimbursement under the Emergency Shelter component. Rent for administrative office spaces within the same facility are not eligible under the Emergency Shelter component if they are not used solely for the administration of the emergency shelter. The portion of rent that is allowable is proportionate to the percentage of the facility's total square footage that is being used as an emergency shelter. The calculation of the portion of the rent being billed under Emergency Shelter should be documented in a written memo.

Security

The purchase, installation, and maintenance of security-related items are eligible, including:

- Security cameras
- Security system software and subscriptions
- Locks for windows or doors
- Light fixtures and flashlights
- Security/Maintenance staff salaries

Insurance

Insurance for the facility being used as an emergency shelter is eligible. If only a portion of the facility is being used as an emergency shelter, then only the insurance for that portion of the facility is eligible for reimbursement under the Emergency Shelter component. Insurance for administrative office spaces within the same facility are not eligible under the Emergency Shelter component if they are not used solely for the administration of the emergency shelter. The portion of insurance that is allowable is proportionate to the percentage of the facility's square footage that is being used as an emergency shelter. The calculation of the portion of the insurance being billed under Emergency Shelter should be documented in a written memo.

⁸ Non-replacement purposes means the introduction of appliances or portions of the structure that were not present in the emergency shelter beforehand (e.g., constructing a new wall, installing a dishwasher when there was not one in the facility already, etc.).

Utilities

The utilities for the facility being used as an emergency shelter are eligible. If only a portion of the facility is being used as an emergency shelter, then only the utilities for that portion of the facility are eligible for reimbursement under the Emergency Shelter component. Utilities for administrative office spaces within the same facility are not eligible under the Emergency Shelter component if they are not used solely for the administration of the emergency shelter. The portion of utilities that are allowable is proportionate to the percentage of the facility's total square footage that is being used as an emergency shelter. The calculation of the portion of the utilities being billed under Emergency Shelter should be documented in a written memo. Eligible utilities include:

- Electricity
- Gas
- Water
- Sewage
- Trash
- Internet
- Phone

Food for Shelter Residents

The purchase of food and supplies for food storage, preparation, and serving are eligible. This can only be for food that is being served to eligible Emergency Shelter clients within an emergency shelter.

Furniture and Furnishings

Furniture and furnishings necessary for the operation of an emergency shelter are eligible. This can only be for furniture and furnishings that are used exclusively within the emergency shelter and for Emergency Shelter services.

Equipment and Supplies

Equipment and supplies necessary for the operation of an emergency shelter are eligible. This can only be for equipment and supplies that are used exclusively for Emergency Shelter services.

Hotel or Motel Vouchers

When no appropriate emergency shelter is available, the grantee may pay for a hotel/motel room directly or through a hotel/motel voucher. Additionally, funds can be used to pay for cleaning of hotel and motel rooms used by program participants as well as to repair damage caused by program participants above normal wear and tear of the room. Essential Services that are eligible under the Emergency Shelter component can be provided to program participants staying in hotels and motels that are being funded under the Emergency Shelter component.

REQUIREMENTS FOR PROVIDING RENTAL ASSISTANCE

Grantees are required to abide by the following requirements when providing direct rental payments to housing owners, landlords, and other third parties for eligible Rapid Rehousing and Homeless Prevention program participants.

Types of Rental Assistance

Tenant-Based Rental Assistance

A program participant may select a housing unit in which to live and may move to another unit or building and continue to receive rental assistance, as long as the program participant continues to meet the program requirements. The grantee may require that all program participants live within a particular area for the period in which the rental assistance is provided. There must be a lease between the owner and the program participant. Prior to assistance, the grantee and the owner must have a rental assistance agreement. The rental assistance agreement must terminate and no further rental assistance payments under that agreement may be made if:

- The program participant moves out of the housing unit for which the participant has a lease; or
- The lease terminates and is not renewed; or
- The program participant becomes ineligible to receive HESP rental assistance under Homelessness Prevention.

Project-Based Rental Assistance

The grantee may enter into a rental assistance agreement with the owner of an HESP eligible permanent housing unit to reserve the unit and subsidize its rent prior to a program participant moving into the unit. The rental assistance agreement may cover one or more permanent housing units in the same building. Each unit covered by the rental assistance agreement may only be occupied by HESP eligible program participants. The following rules apply to all project-based rental assistance:

- The grantee may pay up to one hundred percent (100%) of the first month's rent, provided that a program participant signs a lease with the owner and moves into the unit before the end of the month for which the first month's rent is paid. The rent paid before a program participant moves into the unit must not exceed the rent to be charged under the program participant's lease and must be included when determining the participant's total rental assistance.
- The grantee may make monthly rental assistance payments only for each whole or partial month an assisted unit is leased to a program participant, except if a program participant moves out of an assisted unit before expiration of the agreement.
- The grantee may use HESP funds to cover up to one hundred percent (100%) of the rent for the unit for up to 30 days from the end of the month in which the unit was vacated while the grantee attempts to house another eligible program participant in that unit.
- The rental assistance agreement between the grantee and the owner must have an initial term of no less than one year.
- The program participant's lease must not condition the term of occupancy to the provision of rental assistance payments. If the program participant is determined ineligible or reaches the maximum number of months over which rental assistance can be provided, the grantee must suspend or terminate the rental assistance payments for the unit. If the payments are suspended, the individual or family may remain in the assisted unit as permitted under the lease, and the grantee may resume payments if the individual or family again becomes eligible and needs further rental assistance. If the payments are terminated, the rental assistance may be transferred to another available unit in the same building, provided that the other unit meets all HESP requirements.
- When a new program participant moves into an assisted unit, the term of the rental assistance agreement may be extended to cover the initial term of the program participant's lease. If the program participant's lease is renewed, the rental assistance agreement may be renewed or extended, as needed, up to the maximum number of months for which the program participant remains eligible.

Maximum Assistance

The maximum period for which any program participant may receive rental assistance must not exceed 24 months during any three-year period. A certification of receipt of HESP or other federal ESG assistance must be completed by the client, via form [HESP-204 Receipt of Assistance](#), to ensure eligible client assistance.

Using Rental Assistance with Other Subsidies

Rental assistance cannot be provided to program participants receiving tenant-based rental assistance or living in a housing unit receiving project-based rental assistance or operating assistance through other public sources for the same time period. Rental arrears can be provided to households receiving rental subsidies.

Rent Restrictions

Rent for units assisted with HESP must not exceed the lesser of the rent reasonableness standard ([24 CFR 982.507](#)) or [Fair Market Rent \(FMR\) limits](#)¹⁰. Rent must be reasonable when compared to three other units with the same number of bedrooms and similar size, type, and amenities within the community. Rent must also be at or below the HUD established Fair Market Rent for the household composition and unit size in the area. When determining a unit's compliance with rent reasonableness and FMR, all utilities paid for by the resident must be included in the total rental cost. This includes any utilities with fixed rates that are documented in the lease and utilities that are paid based on usage. For utilities paid on a usage-basis, a utility allowance must be calculated should using the utility allowance schedule for the county the unit is in from a local Public Housing Authority (PHA). Documentation that these standards are met is completed with the HESP-206 Rent Reasonableness and Fair Market Rent Certification.

Maximum Unit Size for Rent Restrictions

	1 Bedroom	2 Bedroom	3 Bedroom	4 Bedroom
Minimum	1 person	2 people	3 people	4 people
Maximum	2 people	3 people	4 people	6 people

Rent reasonableness and FMR compliance should be based on both the number of bedrooms of the unit and the size of the household. The table above shows the minimum and maximum number of people that are eligible to occupy different unit sizes. If the number of bedrooms for the proposed unit exceeds the household size, then the other comparable units for Rent Reasonableness must have, and the FMR rate used must be for, the number of bedrooms of the reasonable household size.¹¹

If there are no units available in the community that comply with the rent reasonableness and FMR standards of the program participant's household size, grantees can request a household composition exemption from MHDC prior to placing the participant in housing. This exemption would allow the grantee to put the participant household in a unit that exceeds their household size. Grantees may email the HESP Administrator at CP.Programs@mhdc.com to request a household size exemption. If granted the exemption, the unit still must comply with rent reasonableness and FMR standards for the unit size. Requirements do not apply for households not receiving HESP rental assistance.

¹⁰ As defined in [24 CFR Part 888](#)

¹¹ For example, if the proposed unit for a household of three people has 4 bedrooms, then the comparable units must be 3 bedroom units and the FMR rate used must be for 3 bedroom units

Rental Assistance Agreements

HESP grantees providing rental assistance must enter into a rental assistance agreement¹² with the owner of the housing for which funds are being provided in accordance with [24 CFR 576.106\(e\)](#). This documented agreement establishes the terms under which rental assistance will be provided, and it requires the owner to provide a copy of any notice provided to program participants to vacate the housing unit or any complaint used under state or local law to evict the program participant to the agency providing HESP rental assistance. This is not a legally binding agreement and is not the same as a lease or sublease.

Leases

In accordance with [24 CFR 576](#), each program participant receiving rental assistance must have a legally binding, written lease for the rental unit. This must be between the owner and the program participant. Where the assistance is solely for rental arrears, an oral agreement may be accepted in place of a written lease, if the agreement gives the program participant an enforceable leasehold interest under state law and the agreement and rent owed are sufficiently documented by the owner's financial records, rent ledgers, or canceled checks. For program participants living in housing with project-based rental assistance, the lease must have an initial term of no less than one year. Each lease executed on or after December 16, 2016, must include a lease provision or incorporate a lease addendum that includes all requirements that apply to tenants, the owner or lease under [24 CFR 5 Subpart L](#) (Protection for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking), as supplemented by [24 CFR 576.409](#), including the prohibited bases for eviction and restrictions on construing lease terms under [24 CFR 5.2005\(b\)](#) and [24 CFR 5.2005\(c\)](#). If the housing is not assisted under another “covered housing program” as defined in [24 CFR 5.2003](#), then the lease provision or lease addendum may be written to expire at the end of the rental assistance period.

¹² MHDC has a “Sample Rental Assistance Agreement” located [here](#).

RECORDKEEPING REQUIREMENTS

Every HESP component and activity has specific record keeping requirements as defined by HUD in [24 CFR 576.500](#). The following section breaks down which forms, documents, and financial records must be retained in specific instances in administering HESP funds, such as:

Recordkeeping Standards:

- “Proof of Cleared Payment” must be provided using the documentation outlined in the charts below. Payments made via payment applications (i.e., PayPal, Venmo, CashApp etc.) will not be considered as Proof of Cleared Payment.
- All documentation must be kept on-site for MHDC compliance purposes.
- All documentation must be easily accessible to MHDC Compliance Officers during a compliance visit and/or desk audit. Required documentation that is not accessible or available could result in a negative compliance status and/or a repayment of funds to MHDC.

Recordkeeping Standards for Clients Fleeing or Attempting to Flee Domestic Violence:

- It is appropriate to use non-identifying information for clients fleeing or attempting to flee Domestic Violence. This can include assigning the client a unique ID and redacting exact addresses from reports.
- Proof of cleared payment is still subject to review during the MHDC compliance process for payments made on behalf of the household.

Documenting Homeless Status

Appropriate homeless status documentation for client files will vary depending on type of assistance provided and the circumstances of each participant.

Literally Homeless

1. Written referral by another housing/service provider (i.e., Coordinated Entry referral, referral letter)
 - a. If the individual qualifies as homeless under paragraph (1)(iii) of the homeless definition, then discharge paperwork or a written or oral referral from an appropriate official of the institution, stating the beginning and end dates of the time residing in the institution. All oral statements must be recorded by the intake worker.
2. Written observation by the outreach worker of the conditions where the individual or family was living.
3. Certification by the head of household seeking assistance stating they he/she was living on the streets or in shelter.

Imminent Risk of Homelessness

1. A court order resulting from an eviction action notifying the household they must leave
 - a. For households leaving a hotel/motel: the source documents to show the program participant does not have sufficient resources (i.e., notice of employment termination, unemployment compensation statement, bank statement)
2. A written certification by the owner/renter of the housing in which the program participant currently resides, attained/verified by the intake worker, stating they will not allow them to stay
3. A documented and verified oral statement
 - a. Certification that no subsequent residence has been identified
 - b. Self-certification or other written documentation that the household lacks financial resources and support necessary to obtain permanent housing

At Risk of Homelessness

- Evidence that participant's annual income does not exceed 30% AMI; and
- Source documents showing that the program participant lacks sufficient resources or support networks to prevent them from becoming homeless (i.e., notice of termination from employment, unemployment compensation statement, bank statement, health-care bill showing arrears, utility bill showing arrears). If source documents are unavailable, then the following order of priority for obtaining evidence must be followed:
 1. Written verification by the relevant third party (e.g., former employer, public administrator, relative).
 2. Written certification by the outreach worker of the oral verification by the third party.
 3. If third-party verification is unobtainable a written statement by intake staff describing the efforts taken to obtain the evidence is required.
- Source documents showing the program participant meets at least one condition of the "at risk of homelessness" definition in [24 CFR 576.2](#) (i.e., notice of employment termination, unemployment compensation statement, bank statement). If source documents are unavailable, then the following order of priority for obtaining evidence must be followed:
 1. Written verification by relevant third-party (i.e., former employer, owner, primary leaseholder, public administrator, hotel or motel manager, etc.).
 2. Written certification by the outreach worker of the oral verification by the third party.
 3. If third-party verification is unobtainable, a written statement by intake staff that the staff person has visited the applicant's residence and determined that the applicant meets one or more of the criteria under At Risk of Homelessness definition or, if a visit is not practicable or relevant to the determination, a written statement by the intake staff describing the efforts taken to obtain the required evidence.

Fleeing/Attempting to Flee Domestic Violence

If the individual or family is experiencing trauma or a lack of safety related to, or fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous, traumatic, or life-threatening conditions related to the violence against the individual or a family member in the individual's or family's current housing situation, including where the health and safety of children are jeopardized, then acceptable evidence includes an oral statement by the individual or head of household seeking assistance that they are fleeing that situation, that no subsequent residence has been identified and that they lack the resources or support networks, e.g., family, friends, faith-based or other social networks, needed to obtain other housing.

Recordkeeping Summary

All expenses listed on any HESP-212 Expense Detail Form that was submitted with an approved payment request must have supporting financial backup retained and saved for a minimum of five (5) years following the end of the grant period. Financial Back-up consists of proof of need (or cost incurred) and proof of payment. Proof of Payment for Direct Assistance should be documented **BOTH** in client files **AND** with the other financial backup for expenses listed on each submitted HESP-212 Expense Detail Form.

Proof of Need

Proof of need must show that the cost was incurred prior to reimbursement being requested and within the eligible grant period. In general, proof of need for bills paid, services performed, or materials purchased should be documented with an invoice and/or receipt from the vendor. **Invoices and/or receipts created by the grantee or by a third-party not involved in the transaction do not count as proof of need.**

Proof of Payment

Proof of payment must show that the cost was paid for prior to reimbursement being request and within the eligible grant period. In general, proof of payment for bills paid, services performed, or materials purchased should be documented with canceled checks or bank statements with the specific payment highlighted. As with proof of need, proof of payment must always come from a third-party source. There are some types of expenses that should have proof of need documented differently, reference the Compliance Guidance on the [MHDC website](#) for additional details.

GRANT DOUCMENTS REQUIRED TO EXECUTE AWARD

Before any funds can be released, all required grant documents must be completed and received by MHDC. All documents must be submitted in the [Grant Interface](#). Grantees with multiple HESP grants must submit required documentation for each grant (i.e., agencies cannot submit one of each required document for multiple HESP grants). Grant Documents consist of:

- Grant Agreement
- Attachment B: Federal Funding Accountability and Transparency Act
- MHDC-101 Authorized Signature Card
- Site Contact Form - Located in Grant Interface
- MHDC-100 Direct Deposit Form and Voided Blank Check
- HESP-200 Program Guidelines Certification
- E-Verify Memorandum of Understanding (MOU)
- Certificate of Liability Insurance
- United Way 2-1-1 Registration
- Environmental Review Questionnaire – Located in Grant Interface
- Indirect Rate paperwork and certification (if applicable)
- Letter from grantees HMIS Lead Agency

Grant Agreement

The grant agreement specifically details the requirements and expectations for the administration of the grant. It is the grantee's responsibility to know and adhere to all provisions set forth in the grant agreement.

Completion Instructions

Each of the following sections of the Grant Agreement must be completed by grantee:

- Signature page (requires signature and notary)
- Rider B (requires signature)
- Rider C (if applicable)
- Exhibit 1: Workforce Eligibility Affidavit (check one box, requires signature and notary)
- Exhibit 2: Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion (requires signature)
- Exhibit 3: HESP Program Certifications (requires signature)

All signatures must be original and by an authorized signatory as designated in the MHDC-101 Authorized Signature Card. The entire original signed, notarized agreement must be returned to MHDC to be considered complete. If any pages of the grant agreement are missing, the grant agreement will be considered incomplete. Failure to submit a fully complete, properly executed grant agreement will result in recapture of the grant.

Attachment B: Federal Funding Accountability and Transparency Act

This requires information on federal grants over \$25,000 be made available to the public via a single website.

Authorized Signature Card (MHDC-101)

This form designates all authorized signatories for each grant. All documents that are required to be signed by grantee must be signed by authorized signatories only. If an unauthorized person signs a document, the document will be rejected.

HESP-26 Agency Contact Page

This page in the [Grant Interface](#) ensures that MHDC has updated information for the upcoming grant year, including staff contact information, office location(s), hours of operation, and any other relevant information. Please note that the information provided will be used to conduct scheduled and unscheduled site visits or desk review.

Direct Deposit Form (MHDC-100) and Blank Check

All disbursements from MHDC to grantee will occur using an Electronic Funds Transfer (EFT). This Direct Deposit Form provides MHDC with the grantee's banking information for the electronic transfer. A blank voided check from the indicated banking institution is required to be submitted with the Direct Deposit form. If the agency does not have a blank voided check, a letter from the bank confirming the account and routing number will be accepted. Please note that by default your grantee's banking information will be updated for **ALL** MHDC accounts. If the banking information provided is for one grant **ONLY**, then it must be indicated on the Direct Deposit form.

Program Guidelines Certification (HESP-200) and Program Guidelines

This form ensures that HESP grantees have created and implemented program guidelines that address all applicable requirements specified in [24 CFR 576.400\(e\)](#).

Supporting Documentation Requirements

- **DO NOT** upload your agency's entire policies and procedures document
- **DO NOT** submit staff guidelines or paperwork client's sign
- All program guidelines should be searchable in Adobe
- Guidelines should detail standards for beginning and ending case management

Forms and intake documents are **NOT** acceptable forms of Program Guidelines.

Preparing Guidelines to Match Form

Highlight and number the guidelines that are listed in ([24 CFR 576.400](#)) in the document that is submitted with the HESP-200 Program Guidelines Certification.

Grantees can make an HESP Guidelines specific document where the agency guidelines from larger procedures and policies documents are paste directly under the required HESP Standard

- (i.e., HESP Standard #1: Applicable snippet from Agency's Intake Policy, Standard #4: Applicable section from agency's full HMIS standards).

This should only be done if the grantee is confident the selected segments meet the full scope of each standard.¹³

¹³ Examples of Program Guidelines can be found [here](#)

E-Verify Memorandum of Understanding (MOU)

The E-Verify MOU is an agreement between the Departments of Homeland Security (DHS) and Grantee stating that grantee agrees to participate in the Employment Eligibility Verification Program (E-Verify).

Certificate of Liability Insurance

The Certificate of Insurance is a one-page summary of current Liability Insurance held by grantee. At all times during the term of this Agreement, Grantee shall carry comprehensive liability insurance with limits of not less than \$1,000,000.00 per occurrence, unless otherwise approved by MHDC. The insurance held by grantee may include General Liability, Automobile Liability Umbrella Liability, Excess Liability, Worker's Compensation and Employers' Liability. The Certificate of Liability Insurance must be current. If coverage lapses during the grant year, grantee must provide MHDC with an updated Certificate.

United Way 2-1-1 Registration

United Way 2-1-1 is a phone number that individuals can call in order to receive needed resources in their area. In order to be a reliable resource for households in need, organizations need to submit updated information as changes arise.

Environmental Review Questionnaire

This question is to help determine which environmental review form is required for each agency.

Letter from HMIS Lead Agency

Letter to show grantee is in HMIS or using a comparable database that can produce the HUD standards for database.

GRANT CLOSEOUT DOCUMENTS

Grant Close-Out Documents consist of:

- Homeless Participation Certification
- Consolidated Annual Performance and Evaluation Report (CAPER)
- HESP-210 Match Certification Documentation

All forms will be submitted through [Grant Interface](#), besides the CAPER. The CAPER will be submitted through a link provided by the grant administrator.

Homeless Participation Certification

Grantee must include at least one current or formerly homeless member on its board of directors or equivalent decision-making entity of the sub-grantee ([24 CFR 576.405](#)).

The grantee must prepare as signed letter from their Board president which includes the following:

- Verification that agency has at least one member that is currently or formerly homeless currently participating on the Board of Directors
- Explanation of how this individual is involved in agency policy decision-making process directly related to HESP program
- Process agency and Board of Directors uses to ensure requirement is fulfilled
- If agency is not currently in compliance, include date and plan for meeting this requirement
- This letter should be dated within the grant year

Consolidated Annual Performance and Evaluation Report (CAPER)

Grantees must submit an annual report covering each funding component to SAGE from HMIS/Comparable Database.

Grantees will submit their annual CAPER electronically to HUD's SAGE Portal via an email link sent to the Annual CAPER Contact listed on the HESP-26 Agency Contact Page in April 2026. However, if the grantee **IS NOT** funded in HESP-27 then they must submit their CAPER data for the next years report when closing out the grant. Any grantee that is required to submit CAPER data with their closeout will receive a sage link and notice from the HUD Programs Administrator. The reporting period for any grantee not funded in HESP-27 and thus must submit data at close out is April 1, 2026 – October 31, 2026.

Match Certification (HESP-210) and Documentation

All grantees must provide a one hundred percent (100%) match to supplement the HESP funds awarded

The grantee must complete the form its entirety but will not attach the backup documentation. All match documents will be reviewed during compliance.
