

Home Repair Opportunity (HeRO) Program

As the HOME program Administrator for the State of Missouri, MHDC uses a portion of its annual HOME allocation for home repair of income qualifying single-family homeowners to complete non-cosmetic home repair through the Home Repair Opportunity (HeRO) Program. Funds are allocated annually to sub-recipient agencies through a [Notice of Funding Availability](#). **MHDC does not award funds directly to households.** Interested households should reach out directly to the sub-recipient agency that covers their area to apply for the program.
