INTRODUCTION

Purpose:

The Missouri Housing Development Commission (MHDC), in collaboration with the Missouri Department of Social Services, hereby notifies interested organizations of the availability of Emergency Solutions Grant (ESG) funds to provide housing assistance to homeless or nearly homeless Missourians in an amount up to **\$2,839,037.00 (estimated)**. The funds will be allocated in a competitive process in accordance with the Allocation Plan. The allocation of FY2022 funds will be awarded for program year 2023.

Deadline:

Applications for funding will be accepted by MHDC until **11:59 p.m. Friday, August 5, 2022**. All applications received after the deadline will not be considered for funding. Decisions regarding funding of proposals are estimated to be made in September 2022.

Requirements:

- Applicants must be a city/county or non-profit entity with capacity to administer the funds directly, eligible to conduct business in Missouri, be an entity in good standing with the state of Missouri and provide housing or housing services. Funding will not be awarded to individuals. Funding may not be sub-granted.
- All proposals must be submitted on the current year's application form available on the MHDC website (www.mhdc.com) via the online Grant Interface and in compliance with the 2023 Application Guidance also posted on the MHDC website. The 2023 Application Guidance should be reviewed closely before completing and submitting a proposal.
- Applications must comply with the following restrictions on funding requests:
 - Cities/counties are eligible to apply for up to \$50,000;
 - Direct non-profits that serve multiple counties within a Continuum of Care may apply for up to \$50,000 per county up to \$100,000.

SECTION I – Applicant Requirements

Overview

The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act) amended the McKinney-Vento Homeless Assistance Act, including major revisions to the Emergency Shelter Grants program, now the Emergency Solutions Grant (ESG) program.

Emergency Solutions Grant program funds are made available in order to assist households experiencing homelessness to quickly regain stability in permanent housing and to prevent households from becoming homeless. This funding will support coordinated community-based activities that are designed to reduce the overall length of homelessness in the community, the number of households that become homeless and the overall rate of formerly homeless households returning to homelessness. This funding supports shelter, prevention, and rehousing activities that are targeted and coordinated with other homeless providers and homeless prevention providers.

The goals of the ESG program include efforts to:

- Reduce the number of individuals/households who become homeless
- Shorten the length of time an individual/household is homeless
- Reduce the number of individuals/households that return to homelessness; and
- Prevent people at risk from becoming homeless.

For more information on the ESG Interim Rule visit: <https://www.hudexchange.info/programs/esg/>

Eligible Applicants

Applicants must be a unit of local government or a qualified non-profit agency. The term "private non-profit organization" means a secular or religious organization described in section 501(c) of Title 26 that is exempt from taxation under Subtitle A, has an accounting system and a voluntary board, and practices nondiscrimination in the provision of assistance in a manner that is free from religious influences. To the extent determined under state law, private, secular, or faith-based non-profit organizations are eligible to serve as direct grantees if the city/county has declined funding through the letter of intent process.

All applicants are encouraged to participate in Continuum of Care planning where the proposed ESG activities will take place to the satisfaction of those CoCs.

Emergency Solutions Grant funds are not intended for the start-up of new homeless service providers or programs and duplicative efforts should be avoided. First time applicants are expected to have established homeless programs, be collaborative partners within their local CoC, and discuss their intention to apply for ESG funding with their local CoC prior to participating in the ESG application process.

Funding

The Missouri Housing Development Commission (MHDC), in collaboration with the Missouri Department of Social Services will make available an amount up to \$2,839,037.00 as outlined in the 2023 Notice of Funding Availability. The funds will be allocated in a competitive process in accordance with the Allocation Plan.

Match

All applicants must provide at least a one hundred percent match for all ESG funds. Match sources can be cash or in-kind. The anticipated amount and sources of any matching funds must be stated in the match section of the application submitted. Documentation of the final match amounts, sources, and use of match funds will be required to be documented and tracked throughout the grant year and submitted at the end of the grant period.

Match can include all ESG eligible funds available or expected to be available to the applicant from local, state, and federal agencies, foundations and private contributions, fundraising activities, and fees charged to participants.

In order to meet the matching requirements:

1. Matching contributions must meet all requirements that apply to the ESG funds provided by HUD other than expenditure limits.
2. Matching funds (cash and non-cash) must be available and expended within the same time period as the ESG grant award.
3. Contributions used to match an ESG grant may not have been used to match previous ESG grants and may not be used to match subsequent ESG grants.
4. Matching contributions may be obtained from any source, including any federal source as well as state, local, and private sources. Additionally, the following requirements apply to matching contributions from any federal source of funds:
 - a. The recipient must ensure the laws governing any funds to be used as matching contributions do not prohibit those funds from being used to match ESG funds; and
 - b. If ESG funds are used to satisfy the matching requirements of another federal program, then funding from that program may not be used to satisfy the matching requirements of the ESG program.

Matching funds may include:

1. Cash contributions include: cash expended for allowable costs, as defined in OMB Circulars A-87 (2 CFR part 225) and A-122 (2 CFR part 230), of the grantee/sub-grantee.
2. Non-cash contributions include: the value of any real property, equipment, goods, or services contributed to the grantee's ESG program, provided that if they had been paid for with ESG grant funds, the costs would have been allowable. Non-cash contributions may also include the purchase value of any donated building one time.

Applicants should include all funds available or expected to be available to applicant from local, state, and federal agencies, foundations and private contributions, fundraising activities, and fees charged to participants. These amounts will be verified by MHDC throughout the grant period. Applicants should be realistic and prepared to provide match verification if funds are awarded.

Match Exemption

MHDC is able to provide reasonable match exemptions to agencies who may be unable to meet the 100 percent match requirement of the ESG program. If the match requirement imposes a hardship, the applicant may request a match exemption on the Proposal Information section of the application.

Regardless of hardship, applicants must demonstrate sustainable program operations even in the event the match exemption is not granted.

Administration

Applicants are eligible to apply for up to five percent of the total grant request in administrative funding.

Example: if the total grant request is \$50,000.00 then the administration request would be \$2,500.00 and the remaining request for other eligible activities would be \$47,500.00.

Data Collection

ESG applicants providing client services must enroll in the Homeless Management Information System (HMIS) system or a Comparable Database (victim service providers) of their Continuum of Care to be eligible to receive ESG funds. Grantees must be in compliance with all requirements set forth by the current published HUD Data Standards.

All activities funded under ESG must comply with HUD's standards on participation, data collection, and reporting, including those victim service providers using a comparable database.

All ESG grantees, including those not currently receiving funds, are required to be in full compliance with HMIS implementation guidelines and adhere to HUD Data Standards at the time of application. New ESG grantees and applicants that have never received ESG funds from the state allocation must be in full compliance with HMIS implementation at the time a grant agreement is signed.

For more information on HUD's Homeless Management Information System (HMIS), please refer to: <https://www.hudexchange.info/programs/hmis/>

Victim Services/Domestic Violence Providers Data Collection:

While victim service providers are not required to participate in the local HMIS due to confidentiality and safety concerns, they are required to utilize a **comparable database** that collects client-level data over time (i.e., longitudinal data) and generates unduplicated aggregate reports based on the data. Information entered into a comparable database must not be entered directly into or provided to HMIS, but must identify clients by a unique identifier that will allow MHDC and HUD to ensure that eligible services are provided to eligible participants. The comparable database must be approved by the HMIS lead agency of the Continuum.

Victim Services/Domestic Violence Providers must document how they intend to ensure that ESG reporting policies and procedures are in place and followed while assuring the confidentiality of participants.

All activities funded under ESG must comply with HUD's standards on participation, data collection, and reporting under a local HMIS (including those victim service providers using a comparable database).

Confidentiality for victim services/domestic violence providers must be protected as required by statute for victims of domestic violence, dating violence, sexual assault, stalking, or sex trafficking.

SECTION II – Application Outline and Instructions

General Completion Instructions

- 1. Applications will be accepted from five funding components: Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Rehousing, and HMIS/Comparable Database.** Administration is an eligible activity and is included in the application. Applicants should refer to the general funding guidelines on page three for the maximum amounts grantees are eligible to apply for.
- 2. Separate application for each Continuum of Care.** If an applicant wants to request funding for programs within different Missouri Continua, the applicant must submit a complete and separate application for each Continuum of Care. Each application is considered separately.
- 3. Applicants may only submit one application per Missouri Continuum of Care.** If a non-profit applicant chooses to apply, they may not apply within the same geographic area.
- 4. Applicants may only request funds for the counties in which the services will be located.** Applicants applying for Emergency Shelter funding may only request funding to serve the county that in which the shelter is located. Applicants applying for funding to provide direct services may only request funding for the counties in which participants being served by the funding reside.
- 5. Applicants must respond to each question on the application.** Each answer should be concise, self-supporting, and not refer to any other area of the application or external documentation.

MHDC will accept:

- One application per local unit of government (i.e., city or county).
- A single application from multiple cities/counties in the same CoC as long as one county or unit of local government (city, township, etc.) is designated as the grantee and there is an MOU in place.
- A single application from a direct non-profit.
- If an agency is applying in multiple CoCs, then a separate application for each CoC must be received.

APPLICATION WORKFLOW

Listed below are descriptions of all sections and documentation required in the application. Please note that everything in the checklist must be included in the application; program information for components in which funds are not being requested do not need to be included. Specific questions or topics within each section that may need more detailed explanation are listed under each section topic.

Proposal Information

*****Every question in this application is required to be filled out. The organization will not be able to submit without selecting or typing an answer**

Agency Information – This section collects general information about the organization. This section should be completed based on information pertaining to the non-profit applicant.

The Agency Information section is intended to provide detailed information about the organization that will be providing the services, including fiscal year, DUNS number, and Counties served with ESG funding.

Applicant Type – Select HMIS Lead, Non-profit, or City/County. Only organizations that have been designated as the lead for the CoC should select the “HMIS Lead” applicant type. The appropriate type must be selected for the application to be filled out completely. If not designated by the CoC as an HMIS Lead, select other organization.

Grant Component – Each funding component type must be filled out. If a component is not being requested, type \$0.00.

Funding Requests – This is the amount requested for funding for this proposal. PLEASE NOTE the following criteria for the 2023 application cycle:

1. Cities/counties are eligible to apply for up to \$50,000
2. Direct non-profits are eligible to apply for up to \$50,000 per grant application.
3. Direct non-profits that serve multiple counties within a single Continuum of Care may apply for up to \$50,000 per county up to \$100,000.

Total Amount of Funding Requested – is the total amount the organization is requesting.

$$\text{All Grant Components} + \text{Administration} = \text{Total Request}$$

ESG Requirements

Dollar for Dollar Match – Each agency is required to match the awarded funds dollar for dollar.

Match Exemption – MHDC is able to provide reasonable match exemptions for organizations who may be unable to meet the 100% match requirement of the ESG program. Please indicate the amount of match waiver that the organization would be interested in receiving, if applicable. Please note that match exemptions are not guaranteed to be granted and that projects should be able to continue to operate without an exemption.

Coordinated Entry – Provide an explanation on how the organization participated with the Continuum of Care. Fill out each question in its entirety.

Homeless Participation – The applicant should provide a letter from the president of the organization’s Board of Directors certifying compliance with HUD 24 CFR 576.405, which requires that homeless persons are included in the decision-making process for ESG programs. The letter should be written on agency letterhead, signed by the Board president, include verification of the participation of at least one homeless

or formerly homeless person included in organization policy decision-making directly related to the ESG program, and the process by which this requirement is fulfilled. If the organization is unable to meet this requirement, an alternative plan for coordinating with homeless persons must be in place.

Databases – Provide a “Yes” or “No” response. Indicate if the organization is using HMIS or a DV Comparable Database.

- If the organization is not using either, explain in full how the organization will meet the requirement.
- List comparable database you are using

Entitlement Areas – Provide information on whether or not the organization is receiving additional ESG dollars in the entitlement area (St. Louis City, Kansas City, and St. Louis County).

- If the organization receives ESG dollars in the entitlement areas, describe in full the award and component type.
- Organizations applying for entitlement funds will not be able to receive Homeless Prevention funds. Those seeking Homelessness Prevention should refer clients to the SAFR program.

Attachments

The attachments are limited in size. The attachments will all need to be converted into a PDF file. Any other file type will not be accepted.

- 1. Board of Directors/Decision Making Body** (1,000 Characters)
The applicant must enter a complete list of the organization’s current board or governing members (officers identified). The list must be reflective of the executive board, **not** an advisory board. Only the member’s first and last names are required.
- 2. Organization Budget** (Files Size Limit: 1MB)
The applicant must complete the projected agency budget for the agency’s fiscal year that most closely aligns with the 2022 ESG grant year. The budget document can be found on the MHDC website. After the Excel document is completed, please save as a PDF and upload the PDF copy. Please rename attachment: Agency Name_Org Budget_2023
- 3. Match** (Files Size Limit: 1MB)
The applicant must detail how they will meet the 100 percent match requirement for the ESG funding requested. The match document can be found on the MHDC website. After the Excel document is completed, please save as a PDF and upload the PDF copy. Please rename attachment: Agency Name_Match_2023
- 4. Letters of Support:** (Files Size Limit: 1MB)
Applicant must provide two letters of support for their ESG proposal from elected officials and/or collaborative agencies. Please rename attachment: Agency Name_LOS_2023
- 5. Certificate of Good Standing:** (Files Size Limit: 1MB)
Applicant must include a Certificate of Good Standing that is current within 60 days of the application due date. If applicant does not have a Certificate of Good Standing that is current

within 60 days, applicant may include most recent Certificate AND a print out from the Secretary of State website that states that organization is in good standing with a date within 60 days of application due date. Please rename attachment: Agency Name_CertificateGS_2023

6. 501(c) (3) Verification: (Files Size Limit: 1MB)

The applicant should provide verification of the organization's 501(c)(3) status.

Please rename attachment: Agency Name_501c3_2023

7. Organization's Audit/Financials: (Files Size Limit: 1MB)

NEW: Applicant must **ONLY** include the organizations most recent board-approved independent auditor's report, not the entire audit. If the most recent fiscal year audit is not complete yet, applicant should submit the last completed auditor's report.

Please rename attachment: Agency Name_Audit_2023

Program Guidelines

Program Guidelines (Files Size Limit: 10MB)

Program Guidelines are not policies and procedures. *Please DO NOT upload the organization's entire policies and procedures document.* Do not submit staff guidelines or paperwork client's sign. Highlight guidelines that are listed below in the policies and procedures that are attached to the application. All program guidelines should be searchable in Adobe. Examples of program guidelines can be found at <https://www.endhomelessnessmo.org/gceh-policies>.

If the organization is having issues uploading the program guidelines, please email aidan.rich@mhdc.com.

Please rename attachment: Agency Name_Program Guidelines_2023

Applicant should include guidelines that address each of the following project(s) components to be funded by ESG:

Street Outreach, Emergency Shelter, Homelessness Prevention, Rapid Rehousing Applicants:

- Guidelines for evaluating the eligibility of individuals and families for assistance under the ESG program
- Guidelines for coordination among Emergency Shelter providers, essential services providers, Homelessness Prevention, and Rapid Rehousing providers, other homeless assistance providers, and mainstream service and housing providers
- Guidelines for the formal termination process established by the agency that recognizes the rights of individuals affected
- Guidelines for the program participant's formal grievance process
- Guidelines clearly detail the applicant's requirements for program participation
- Guidelines detail objective standards for beginning and ending case management
- Guidelines for participation in HMIS or comparable database
- Guidelines for ensuring that clients served and activities provided with ESG funds are entered into HMIS or comparable database, the timeframe for data to be entered, and the process for ensuring confidentiality of client records
- Guidelines for participation in the Coordinated Entry system of the Continuum of Care

Street Outreach and Emergency Shelter Applicants Only:

- Guidelines for targeting and providing services related to Street Outreach
- Guidelines for admission, diversion, referral, and discharge by Emergency Shelters assisted under ESG, including guidelines regarding length of stay limits, if any, and safeguards to meet the safety and shelter needs of victims of domestic violence, sexual assault, etc.
- Guidelines for admission, diversion, referral, and discharge by Emergency Shelters, including guidelines regarding length of stay limits, if any, and safeguards to meet the safety and shelter needs of individuals and families who have the highest barriers to housing and are likely to be homeless the longest
- Guidelines for assessing, prioritizing, and reassessing individuals' and families' needs for essential services related to Emergency Shelter
- Guidelines should generally outline a Housing First standard of service provision

Homelessness Prevention and Rapid Rehousing Applicants Only:

- Guidelines for determining which eligible individuals and families will receive Homelessness Prevention and which eligible individuals and families will receive Rapid Rehousing assistance
- Guidelines for determining what percentage or amount of rent and utilities costs each program participant must pay while receiving Homelessness Prevention or Rapid Rehousing assistance
- Guidelines for determining how long a program participant will be provided rental assistance and how the amount of that assistance will be adjusted over time, if at all
- Guidelines for determining the type, amount, and duration of housing stabilization and/or relocation services to provide, including the limits, if any, on the Homelessness Prevention or Rapid Rehousing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months in the program, or the maximum number of times the program participant may receive assistance
- Guidelines for addressing the needs of ineligible applicants

***Please note that forms and intake documents are not acceptable forms of Program Guidelines. The applicant must include written Policies and Procedures to address all of the applicable Guidelines as listed above.*

Grant Components

Component Information should only be completed for each component in which funds are being requested.

Homelessness Prevention Information
Street Outreach Information
Emergency Shelter Information
Rapid Rehousing Information

Homeless Management Information Systems (HMIS) Information

Budget & Detail- The total proposed budget amounts should match the amounts reflected in the Proposal Information section. Please fill out the budget breakdown per component and the details for each section.

Narrative- Applicants should fully address each item specified. Any narrative throughout the application that does not clearly address each question will result in a loss of points.

HMIS Lead Agencies

Budget & Detail- The total proposed budget amounts should match the amounts reflected in the Proposal Information section. Please fill out the budget breakdown per component and the details for each section.

Service Area

Counties- Applicants should check every county in which their organization provides services. The options for these counties will depend on the Continuum of Care that was selected in the Proposal Information section above. If the counties listed are for the wrong Continuum, you will need to change your answer to the Continuum of Care question in the Proposal Information Section. All of these questions are required. If you are in the Balance of State and do not serve any of the Counties in a Region, check "N/A" for that question.

Limited Service Area- If your organization operates in a more limited service area within the previously selected counties, list those cities/areas here. List the name of the cities or areas and only list one city/area per line. If your organization is not serving a more limited area within the counties selected, please write "None". If your organization is not providing services in any of this Region's counties, please write "N/A".

SECTION III –Evaluation of Applications

Overview

Missouri Housing Development Commission wants to ensure that the limited pool of funding received is used in the most effective way possible to help organizations provide the necessary services to homeless individuals and families in the state of Missouri. In order to do this, funds awarded will be based on scoring system for applications. Individual scores by component may be assessed for completeness of the grant application, past performance, procurement of outside resources, impact on homelessness within community, participation in Coordinated Entry, participation in their Continuum of Care, extent to which programs result in increased housing stability for clients, organizational development and experience, budgeting and financial reporting, efficient and effective data collection, and other relevant factors that show how effectively the project addresses the goals of the ESG program. Applicants requesting funds for multiple components may receive funds for one, but not all.

Additionally, there are certain conditions, which may result in an application being rejected without being reviewed. These threshold requirements include, but are not limited to, missing deadlines, incomplete applications, lack of demonstrated need for the activities within the service area or the Continuum of Care, 501(c)(3) status for non-profit agencies, and serious, recurrent, or outstanding finding of non-compliance.

Submission of an application does not guarantee an applicant will receive funds.

Evaluation of Application Details

Individual scores by program may be assessed for:

- Completeness and organization of the grant application;
- Extent to which the applicant demonstrates an understanding of HEARTH regulations, HUD priorities for the ESG program, and USICH Home Together (https://www.usich.gov/resources/uploads/asset_library/Summary_of_Essential_Elements_of_the_Plan.pdf);
- Past performance in ESG programs;
- Strength of program design and implementation strategy;
- Extent to which programs result in increased housing stability and permanent housing outcomes for clients;
- Extent to which program serves exclusively (100%) “homeless” persons;
- Consistency with local need, collaboration with local plans, and service delivery strategies;
- Participation in the Coordinated Entry system recognized by the Continuum of Care;
- Amount of funds requested;
- Value of applicant’s match contributions (cash and in-kind);
- Demonstrated ability of the agency to move homeless individuals into housing or demonstrated ability of the organization to increase housing stability of homeless individuals;
- Coordination and participation within local Continuum of Care;
- Extent to which the project’s approach makes homelessness rare, brief, and non-recurring; and
- Use of best practices for provision of services.
- Follows written standards in program guidelines

SECTION IV– Submission Requirements

Submission Instructions:

Complete application submissions are done through the Grant Interface software.

<https://www.grantinterface.com/Home/Logon?urlkey=mhdc>

The logon instructions can be found on the MHDC [website](#).

Failure to submit fully completed applications as designated below will result in a point reduction when the application is evaluated. Applications received after the deadline will not be considered for funding. The application must be submitted before **11:59 p.m. Friday, August 5, 2022**.

Funding recommendations are expected to be presented to the Commission for approval in September 2022. Funded applicants are required to attend a **mandatory** funded training that will be held before the end of November 2022.

SECTION VI – Certifications

The following are some of the certifications that will be required of all grantees and included in the grant agreement if funded. Applicants should review the required certifications before submitting an application.

By submitting a signed ESG application the applicant certifies that they:

1. Have reviewed and will comply with all requirements in the “Desk Guide” and “Application Guidance” found at: www.mhdc.com.
2. Will track, account for, and report separately on ESG funds under this grant.
3. Understand that recipients of ESG funding are legally obligated and must meet state and federal accountability and reporting requirements for ESG. MHDC, the state of Missouri, or the federal funding source may also identify additional requirements or other changes in requirements. Such requirements may be in statute, regulation, policy, or procedure. The recipient is responsible for incorporating these requirements into the performance of the grant agreement.
4. Will enter appropriate data into the local Continuum of Care’s (CoCs) Homeless Management Information System (HMIS) or a comparable database, as applicable, for required HUD reporting.
5. Will use all ESG funds in accordance with state and federal ESG rules and regulations; any misuse of grant funds may result in a range of penalties including suspension of current and future funds, suspension or debarment from federal and state grants, recoupment of monies provided under a grant, and civil and/or criminal penalties; and
6. Have completed this application to the best of his/her knowledge, and that all information included in this application including program design, staff responsibilities, and associated budget, described in this application is true, accurate and complete.

The following additional certifications will be expected to be made by the board president and duly authorized by the organization at the time of signing the grant agreement:

1. I certify that funds received for service operations will be operated for the benefit of eligible beneficiaries for the contract term, and that the level of service will not be less than that stated in the application at any time during the term of the grant agreement.
2. I certify that all programs will be operated in full compliance with any and all local certifications, approvals, and operating permits, and that they will be operated in full compliance with all local codes and ordinances, including zoning, health, fire safety and housing codes or requirements.
3. I certify that the applicant will administer programs to ensure, to the greatest extent practicable, that staff, volunteers and clients of the organization do not illegally use, possess, or distribute drugs, alcohol, or firearms.
4. I certify that the service will be operated in such a way as to maximize the opportunities for clients to participate in program delivery through employment, volunteer services, construction, renovation, maintenance or operation of the facility or program.
5. If homeless benefit activities are proposed, I certify that the organization has formally involved, and will continue to involve, at least one current or formerly homeless person in its policy-making process as it relates to the operation of this service.
6. I certify the organization will refrain from political activities including endorsement of any political candidate or party, use of machinery, equipment, postage, stationery, or personnel on behalf of any candidate or any question of public policy subject to referendum, or the display of political posters, stickers or other printed materials.
7. I certify that all programs will be operated in compliance with all laws and regulations governing

the federal or state programs under which the funds are made available.

8. I certify that applicant organization is actively participating in local area provider networks, homeless housing and service coalitions, and Continuum of Care planning processes.
9. I certify that applicant organization will not discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.
10. I certify that the agency will maintain 501(c) 3 tax status as well as current registry with the Office of the Missouri Secretary of State.

Other Requirements that must be followed and will be included in the ESG grant agreement:

1. The requirements of 24 CFR 576.102(c), concerning the continued use of buildings for which Emergency Solutions Grants are used solely for operating costs or essential services, concerning the population to be served.
2. The building standards requirement of 24 CFR 576.403.
3. The requirements of 24 CFR 576.407, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 CFR 576.407, other appropriate provisions of 24 CFR Part 576, and other applicable Federal law concerning non-discrimination and equal opportunity; AND
5. The requirements of 24 CFR 576.407(d) concerns Environmental Review/Compliance dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 CFR Part 58.
6. The requirements of 24 CFR 576.408 concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
7. The requirements of 24 CFR 576.408(a) concerning minimizing the displacement of persons as a result of a project assisted with these funds.
8. The requirements of 24 CFR 576.500(x) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the Emergency Solutions Grant Program and that the address or location of any family violence shelter project assisted with ESG funds will not be made public, except with written authorization of the person or persons responsible for the operation of the shelter.
9. The requirement that recipients involve, to the maximum extent practicable, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the Emergency Solutions Grant Program, and in providing services for occupants of these facilities as provided by 24 CFR 576.405.
10. The new requirement of the McKinney-Vento Act (42 USC 11301) to develop and implement to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that State and local governments are primarily responsible for the care of these individuals and that Emergency Solutions Grant funds are not to be used to assist such persons in place of State and local resources.
11. The Drug Free Workplace requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.
12. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client level information. In the event that state laws conflict

with the HMIS Final Notice, as determined by an appropriate state government entity, state law will prevail.

13. HUD's Standards for Outcome Performance Measurement.

Additionally, compliance with the following requirements will also be included in the applicant's grant agreement, if funded:

Non-discrimination and Equal Opportunity Requirements

1. The requirements of Fair Housing Act (42 U.S.C. 3601-20) and implementing regulations at 24 CFR Part 1001; Executive Order 11063 and implementing regulations at 24 CFR Part 107; and Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d and 2000d-4) implementing regulations issued at 24 CFR Part 1.

in HUD programs by faith based organizations providing for equal treatment of all HUD Program Participants.

HUD Equal Access to Housing Final Rule Compliance Requirement

On February 3, 2012, HUD published a final rule in the Federal Register entitled Equal Access to Housing in HUD Programs regardless of Sexual Orientation or Gender Identity. This rule became effective March 5, 2012.

This rule applies to all McKinney-Vento-funded housing programs, as well as to other housing assisted or insured by HUD. The rule creates a new regulatory provision that generally prohibits considering a person's marital status, sexual orientation, or gender identity (a person's internal sense of being male or female) in making homeless housing assistance available. As the nation's housing agency, HUD's goal is to ensure that their programs are carried out free from discrimination and are models for equal housing opportunity. Now lesbian, gay, bisexual, and transgender people are guaranteed equal access to our housing and shelters.

Additional Information: <https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/>

Examples of compliance with this rule are provided below:

- If a transgender individual presents as a female to a shelter that serves only females, the shelter must provide services comparable to that provided to any other resident. Reasonable accommodation may be made such as utilizing hotel/motel vouchers to provide separate but equal shelter if the participant requests or if the shelter is limited to one sex because it has shared sleeping areas and/or bathrooms. In this situation inquiries as to sex are permitted, but only to the extent of determining accommodations to be made, not to determine eligibility for services. Such inquiries are not permitted in any other homeless shelter or housing.
- A shelter can inquire as to sexual orientation or gender identity only as it relates directly to shared sleeping areas and/or bathrooms, or to determine the number of bedrooms to which a household might be entitled. It cannot inquire regarding sexual orientation or gender identity to determine whether or not to provide services. As stated above, there is no exemption for ESG assisted faith-based providers.
- A shelter that receives ESG funds for operations and/or essential services and that serves families may not discriminate based on marital status or sexual preference. The shelter must serve eligible participants regardless of whether or not 1) the parents are married, or 2) the parents are a lesbian, gay, or bisexual couple. As stated above, there is no exemption for ESG assisted faith-based providers.
- A program may not refuse to provide financial assistance (rent, utilities, etc.) or services (essential services, case management, legal services, etc.) funded under the ESG to any individual/couple/family that would otherwise be served by the program if the individual/couple/family were heterosexual and/or married. As stated above, there is no exemption for ESG assisted faith-based providers.
