

Emergency Solutions Grant Program 2020 Allocation Plan

General Information:

The Missouri Housing Development Commission (MHDC) is responsible for administering the Missouri State Allocation of the Department of Housing and Urban Development (HUD) Emergency Solutions Grant (ESG) Program funds granted to MHDC by the Missouri Department of Social Services (DSS).

These funds are provided through a federal grant from the Department of Housing and Urban Development (HUD) under the Emergency Solutions Grant (ESG) program, as amended by the Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), the Missouri Department of Social Services under the Temporary Assistance for Needy Families (TANF) Program, and from other funding sources as they become available.

FY2019 Funds Available:

The Missouri Housing Development Commission, in conjunction with the Missouri Department of Social Services will make an amount of up to \$3,307,300.00 available to Missouri applicants for program year 2020 distributed geographically according to this Allocation Plan.

Grant Priorities

The purpose of the Emergency Solutions Grant Program is to support programs within Missouri communities that prevent homelessness and rapidly return households who experience homelessness to stable housing. These funds should be targeted and coordinated with other homeless services in the Continuum of Care. HUD regulation states that at least 40 percent of an ESG allocation must be spent on Rapid Re-housing and Homelessness Prevention activities and that no more than 60 percent of the allocation can be spent on Emergency Shelter and Street Outreach activities. The eligible activities for which funding is available are as follows:

- 1. Rapid Re-Housing:** to assist individuals and families who are “literally homeless” under the HUD definition of homelessness to transition quickly into permanent housing and to achieve housing stability through financial assistance and services.
- 2. Street Outreach:** to provide essential services such as case management and engagement for unsheltered homeless individuals and families.
- 3. Emergency Shelter:** to provide essential services for shelter participants or for shelter operations.
- 4. Homelessness Prevention:** to assist individuals and families who are imminently homeless under the HUD definition of homelessness to prevent homelessness and to regain stability in their current housing or other permanent housing through financial assistance and services.

**Administration and HMIS activities are also allowable activities*

Effective Date: May 29, 2019

Geographic Allocation

MHDC will endeavor to award funding in each geographic area as identified below, subject to the quality of the applications received and the applicant’s ability to meet eligibility criteria. In the event that insufficient applications are received within a geographic area, any remaining funds will be allocated to other regions. Any funds recaptured will be reallocated at the discretion of MHDC.

Missouri Continua of Care	Distribution Percentage
<i>Balance of State</i>	47.00%
<i>Joplin/Jasper, Newton Counties</i>	8.00%
<i>Kansas City/Independence/Lee’s Summit/Jackson County</i>	9.00%
<i>Springfield/Greene, Christian, Webster Counties</i>	6.00%
<i>St. Charles, Lincoln, Warren Counties</i>	7.00%
<i>St. Joseph/Andrew, Buchanan, DeKalb Counties</i>	6.50%
<i>St. Louis City</i>	9.50%
<i>St. Louis County</i>	7.00%
<i>Total Amount to be Funded by Geographic Allocation</i>	\$3,307,300.00

ESG funds are geographically allocated by Missouri Continuum of Care (CoC) in an effort to coordinate homeless assistance funds with the needs of each CoC and are based on requested and awarded funds for previous program years.
