The term of the Lease shall begin _____ and shall terminate on _____.

The maximum term of the lease will expire on March 31, 2026 for the March 14-15, 2025 event and May 31, 2026 for the May 16, 2025 event. Please indicate which disaster event this individual was displaced from:

Due to the temporary and emergency nature of the lease, the resident/household may terminate the lease prior to the end of the lease period stated above. To terminate the Lease, the Resident must give the Landlord 30-days written notice before vacating the unit. If the Resident does not give the full 30-day notice, the Resident may be liable for rent up to the end of the 30 days for which notice was required and not received.

The Landlord shall not assess the Resident/household any fee or charge, other than resident damage beyond normal wear and tear; and rent due through the 30-day notice period, based on the Resident exercising their right to terminate residency under this Addendum.

Failure of the resident/household to qualify under Section 42 requirements as of **March 31, 2026 for the March 14-15, 2025 event and May 31, 2026 for the May 16, 2025 event** or to vacate the unit at the end of the lease term may result in eviction.

IF THERE IS ANY CONFLICT BETWEEN THE TERMS OF THE LEASE AND THE TERMS OF THIS ADDENDUM, THE TERMS OF THIS ADDENDUM SHALL PREVAIL.
