General Information

Purpose

The Missouri Housing Development Commission (MHDC) hereby notifies interested organizations of the availability of Shelter Operations Support (SOS) funds for the program year of 2025. The funds will be allocated to support the operation and administration of shelter programs within Missouri communities who work to provide shelter to Missouri residents facing a housing crisis. Priority will be given to programs who serve Missouri Veterans.

Deadline

Completed applications for funding will be accepted by MHDC until **Friday, April 4, 2025 at 5:00 pm**. Applications will not remain open for submission after the deadline. Funding decisions are scheduled to be made by the Commission in July of 2025 for program year 2025 beginning July 1, 2025, and ending June 30, 2026.

Requirements

- Applicants must be an established non-profit, not for profit, governmental entity, or other community organization that has operated a free-standing shelter program for at least 2 years and must be an entity in good standing with the state of Missouri.
- Applicants must provide access to safe and adequate temporary shelter, as determined by MHDC, to Missouri residents.
- Priority will be given to shelter programs who serve Missouri Veterans.
- Funding will not be awarded to individuals.
- Funding may not be sub-granted.

Eligible Activities

- **Operating Funds:** available to organizations to support the operation of shelter programs.
- **Administrative Funds:** available to organizations to support the administration of shelter programs. *Administration expenses may not exceed 10% of the total grant award/expenditure.*

Evaluation of Applications

MHDC wants to ensure that the limited pool of funding is used in the most effective way possible to help organizations provide shelter and shelter services to Missouri residents facing a housing crisis. Applications will be scored for completeness of the grant application, past performance in existing MHDC programs, experience and expertise in operating shelter programs, capacity to provide services, and other relevant factors that show how effectively the project addresses the goals of the SOS program. Priority will be given to programs who serve Missouri Veterans.

Additionally, there are certain conditions which may result in an application being rejected without being reviewed. These threshold requirements include, but are not limited to, missing deadlines, incomplete applications, conflict of interest, and serious, recurrent or outstanding findings of noncompliance.

If an application is not submitted by the deadline of **Friday, April 4, 2025, at 5:00 pm**, the SOS application will close and there will not be another opportunity to apply for SOS 2025 funding.

Submission of an application does not guarantee an applicant will receive funds. Grants will be awarded to those with the highest rankings as determined by an objective scoring process. Funding awards resulting from this application will be determined by the Commission in July of 2025.
