The bonds will be limited obligations of the Commission, payable solely from revenues of the project pledged for the payment of the bonds, and will not constitute general obligations or indebtedness of the state of Missouri or any political subdivision thereof, nor will the bonds constitute an indebtedness for which the faith and credit and taxing powers of the state of Missouri are pledged, but the bonds will be payable solely and only from revenues of the project pledged for such purpose in amounts sufficient to pay the principal of, interest and redemption premium, if any, on the bonds.

All interested persons may attend the hearing and will have an opportunity to express their views with respect to the above-mentioned project, including the location and nature of the proposed facilities and the issuance of bonds to pay the costs thereof. Written comments with respect to the project may also be submitted to the undersigned prior to the hearing. Additional information regarding the proposed project and the bonds may be obtained in advance of the hearing from the undersigned. The Commission makes reasonable accommodations for any known disability that may interfere with a person's ability to participate in public meetings.
